Kishon River Authority

Pollution Prevention & Water Scarcity Management SWIM-H2020 SM National Meeting: Israel 18.12.2018

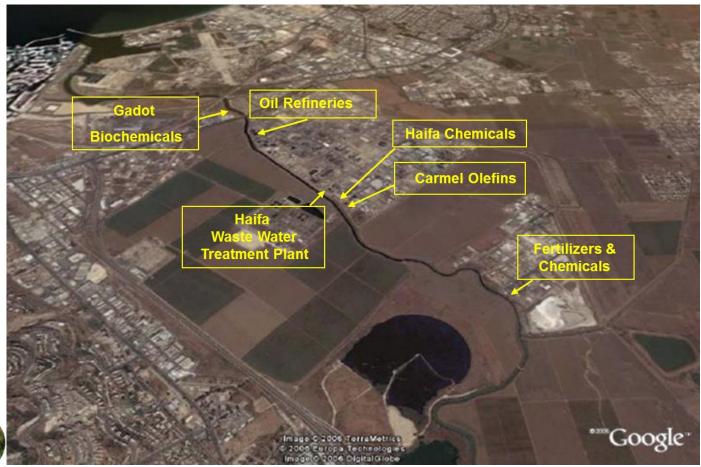

Industrial wastewater discharge in the 90's

Industrial discharges downstream

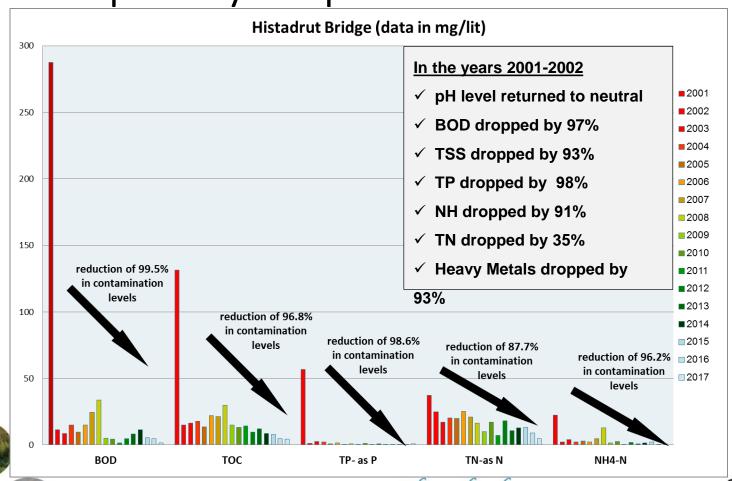

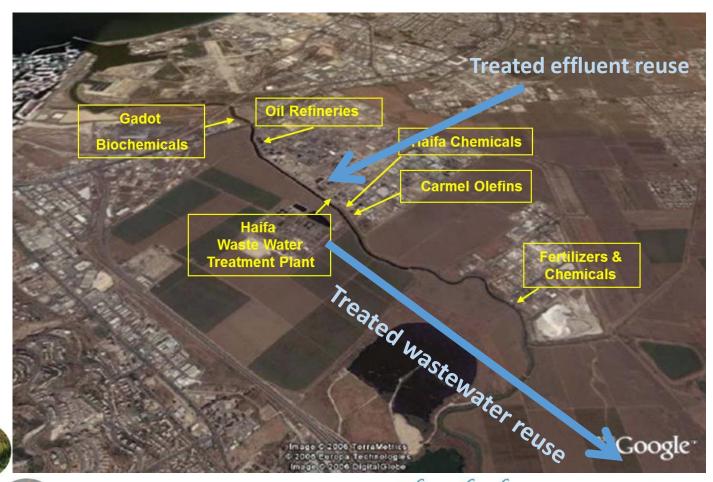

Water quality improvement

רשות נחל הקישון
Kishon River Authority

Water reuse

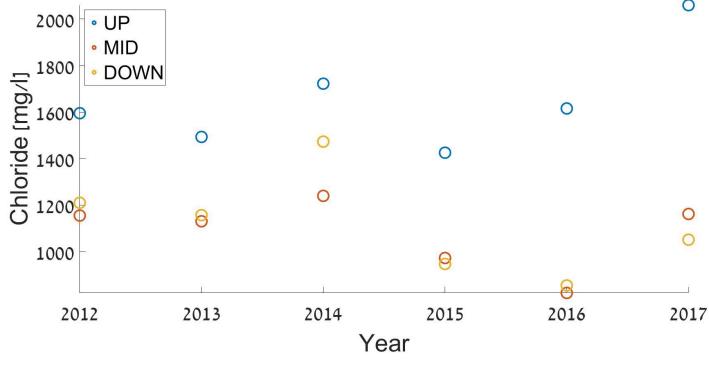

Reuse leads to salinity increase

Increased salinity damages Kishon's ecosystem

רשות נחל הקישון אוארים אל ונתל בלבילן

Kishon River Authority

Thank you!
