

SWIM and Horizon 2020 Support Mechanism

Working for a Sustainable Mediterranean, Caring for our Future

Regional Training:
**Fostering a SWITCH to GREEN Economy in the Mediterranean
(WP3 REG 9)**
11-13 December 2018, Barcelona, Spain

This Project is funded by the European Union

What is the real issue:
environmental, health,
visual...?

Where is the issue: at
production level,
consumption,
disposal...?

What is our role as producers?

What is our role as consumers?

Who is responsible?

What is our role
as policy
makers?

Can you identify
potential areas to
change?

What concrete
actions can be
developed?

Can you identify
enabling policies that in
your department or
ministry currently take
place?

What are the env. friendly
available materials /alternatives
to plastic?

DAY 3

Coming back together to work on common solutions... sharing, collaborating, looking beyond...

Time	Session	Description
